Mission Statement

The Blues Society of Central Pennsylvania is a non-profit corporation dedicated to the preservation, promotion, support and enjoyment of the truly original American art form, the blues. Our goal is to be a complete resource for all blues lovers including fans, musicians, retailers, promoters, club owners, technicians, educators and ... you.

If you have a love for the blues but can't seem to find a place to see quality live entertainment ... if you are a blues musician looking for a place to try out your new blues originals ... if you are a club owner with a love for the blues but have never been able to draw the clientele to support it ... The Blues Society of Central PA is for you!
